Golf Course Rangers have the authority to enforce all rules. Thank you for your cooperation.

The items listed below must be coordinated by the Tournament Director and/or the food and beverage manager. Please check them off when completed.

PAIRINGS: Should be done immediately after the entry deadline and submitted to the Tournament Director least one week prior to the tournament. This allows the staff to prepare the golf carts, cart signs, scorecards, etc. ahead of time.

FORMAT: Should be decided when soliciting entries. For large events, the point system or

scramble/superball format helps speed up play. Our professional staff can help select a format suitable for your event. **An additional \$5.00 per player scoring fee applies for any format other than scramble.**

CONTESTS: To add excitement to your event and to allow more people to win prizes, contests can be offered. Some examples are longest drive, closest to pin and straightest drive.

PRIZES: After determining the format, prizes need to be determined. A good rule of thumb to follow regarding the number of prizes to provide is to pay a minimum of 1/4 of the contestants. After determining your budget, our staff can assist you in the selection of prizes or gift certificates. Please contact us before selecting prizes elsewhere. We are competitive in pricing; offer great service and will exchange prizes purchased from the golf shop.

FAVORS: A nice way to add a touch of class is to offer favors to the participants. From a bag of tees and a divot/ball mark repair tool to crested sweaters or glassware, favors can enhance your event. We can suggest items to fit your budget and arrange for these favors to be handed out or placed in the carts prior to tee off.

FOOD SERVICE: All food and beverage arrangements need to be confirmed with the Tournament Director. Menus are attached for your review and consideration. Limited beverage cart service is available for groups of 100 or more. ***Beverage carts must be scheduled in advance.***
